

STL CARDINALS ROAD TRIP
& EXPLORE KENTUCKY HORSE COUNTRY
AUGUST 15TH - 18TH

Join us as we follow the St. Louis Cardinals to Cincinnati in hopes for a win over the Cincinnati Reds. We will travel by motorcoach for a 3 night trip with multiple stops along the way. First, we will make stops at Lexington and Louisville, KY to take in the history of thoroughbred horse racing. On our agenda are tours of Kentucky Horse Park and Churchill Downs, home of the Kentucky Derby. And to add to our baseball theme, we will also tour the Louisville Slugger museum & factory to see how our St. Louis Cardinals' bats are made. All of this will lead up to a game in Cincinnati where our Cardinals will play the Reds. The cost is all-inclusive to include motorcoach transportation, meals, admissions, game tickets, and chaperon costs. Chartered bus trips are always fun where we can enjoy games and movies with our friends while traveling. If you are interested in this short getaway, sign up now before the trip fills up. If you are a Cardinal fan, you will want to go so you can add another MLB stadium to your list.
