

## Volunteers are what make it work. Reward Yourself!

*" I am only one, but still I can do something." --Helen Keller*

*Pony Bird's Leisure Services program is continuously seeking caring individuals who are interested in working with people with developmental disabilities. The success of our services relies heavily on the dedication of our staff, as well as volunteers and community support. We invite you to be part of this success as a volunteer. Help others better their lives. Your reward is their gratitude and it's a great feeling!*

Volunteers need to be at least 18 years old and have the desire to work with individuals of all abilities. Volunteers do not need to be experts or professionals in the field of developmental disabilities. Enthusiasm and the desire to work with others is all that is necessary. New volunteers must complete an application process. For the safety of our participants, a criminal records check and background screening is completed on all applicants. We seek to match each volunteer with a position that meets his or her interest.
